

## Wellington's Way with Peter Wellington MP

In my role as Speaker, I have had a very interesting and busy couple of weeks. I had the pleasure of opening the Regional Youth Parliament in Mt Isa and meeting with students from across the region, some travelled four hours to come and discuss issues of concern to young people in their area.

I then spent the following week hosting the Commonwealth Parliamentary Association delegates at Parliament House in Brisbane. Delegates came from across the Commonwealth to get together to exchange ideas and listen to some very interesting guest speakers.

### **Sunshine Coast Show**

It was great to get back home to Nambour in time to attend the opening of the Sunshine Coast Show with my wife Jenny. Congratulations to Show Society President Cr Jenny McKay and your team of volunteers for another great show.

### **Belli Park Rural Fire Brigade**

On Sunday I was able to catch up with fellow Belli Park Rural Fire Brigade members at the annual open day. I urge anyone living outside the urban area to be bush fire aware and make sure you contact your local fire warden before lighting any fires.

### **Nambour Heights NHW 25<sup>th</sup> Anniversary Celebrations**

On Sunday afternoon I had the pleasure of attending the 25<sup>th</sup> anniversary celebrations of the Nambour Height Neighbourhood Watch where I joined with community members to recognise this wonderful milestone. It was great to see some of the inaugural members at the event.
